Roles of signatories to NRC PA - 9-28-20.docx

Hi again Diana,

We were wondering if we could get NRC's input on this roles of signatories document via email this week, rather than wait until we can schedule a meeting next week. Does that work?

I will still look at our calendars and send you time for next week, because I think it is still helpful to talk through this. Thanks!

Hi Diana,
Here is our updated document listing potential EPA roles in the PA for NRC's review. We would like to talk through the roles identified with you all to see if you agree that is it appropriate for EPA to participate in these roles, particularly in "consulting party" roles.

Would you all have time to meet to discuss this next week?

Our free times are:

Wednesday 10/14 after 3:00 ET

Thursday, 10/15 at 4:00 ET

Thanks!

Valois
